

## COVID-19 Vaccine Information for Employers

The following providers may be available for mobile/on-site COVID-19 vaccine clinics at your place of business in Ada, Boise, Elmore, and Valley Counties. **Employers will need to contact a provider directly to make arrangements.** This list will be updated as additional enrolled vaccine providers are added as mobile/on-site vaccinators.

### Albertsons Sav-On Pharmacy

**Contact:** Click [HERE](#)

### Preventative Health

**Contact:** [info@preventativehealthscreenings.com](mailto:info@preventativehealthscreenings.com)  
(208) 853-2273

### Saint Alphonsus Health System

**Contact:** Click [HERE](#)

### Terry Reilly Health Services

**Contact:** (208) 318-1326

Please note that this provider may have limited capacity to offer mobile vaccine clinics.

### Considerations for Eligibility

Due to limited vaccine supply, CDH encourages individuals and businesses who qualify in this subgroup to consider the conditions they most **consistently** work in.

*Are they in **close and frequent contact** with other employees or the public in order to do their job?*

People who must consistently work in these environments are at a higher risk of exposure and CDH encourages employers to **prioritize these employees accordingly.**
